FYI,

If you haven't heard about this, I received it today. Also, Leavenworth NFH's contact for Ecology for the next 3 months is David Bowen. His contact info is in the email. I talked to him today. He seems like a nice guy. I have lots of stuff to do for lawyers right now but I was planning on calling you in the beginning of next week just to check in and see if you need anything.

Let's try this again ... I heard Cattellini .... Sorry about that, even after you tried to help me out.

Have a great day!

Good morning,

The attached letter has been forwarded to you today via certified mail. It was drafted in response to your correspondence received on January 6, 2016 requesting Ecology to withdraw CWA 401 certification #7192 for the LNFH.

We look forward to working with you on the new application.

Thank you,

David Bowen
